

ABOUT US

IFFCO'S frozen foods division is part of the multinational IFFCO group. It has the largest installed capacity of laminated pastry goods, muffins, cookies and parathas in the region. A team of dedicated professionals bring decades of manufacturing experience into producing world class convenience products for the baking industry. This combined with the synergies coming from the Flour, Fats and Baking Ingredients divisions enables IFFCO frozen foods to position itself as the leading market innovator and provider of baking solutions in the region.

MISSION

To be the leading supplier of frozen products to the baking industry, manufacturing goods to the highest international quality standards and providing unique solutions through partnership, innovation and expertise.
